

The Italy Digital Guide

Essential Apps for Navigating Italy

Ciao For Now Travel

Before You Land in Italy...

Italy is incredible.

But it runs differently than most countries.

Trains sell out.

Restaurants book in advance.

Uber isn't everywhere.

Ferry schedules change.

This guide covers the essential apps I install
before every trip to Italy so you can move
through the country efficiently and
confidently.

Save this guide before your trip.

Navigation & Mapping

***Google Maps**

Offline downloads are essential

***Citymapper**

Best for Rome and Milan transit

***Moovit**

Accurate bus and metro routes

***Rome2Rio**

Compare routes between cities

***Wikiloc / AllTrails**

Great for coastal and countryside hiking

Our Insight:

Download offline maps before landing.

Rail & Coastal Travel

Trenitalia

Official Italian railway

Italo

High-speed train alternative

Ferryhopper

Compare ferry routes

Travelmar

Amalfi Coast ferry service

NLG / Alilauro / Caremar

Island ferry operators

Our Insight:

Summer trains and ferries sell out early.

Taxis & Ride Services

***itTaxi**

Licensed taxi network

***Chiamo Taxi**

***Free Now**

Taxi + private drivers

***Uber**

Limited availability

***Welcome Pickups**

Pre-booked airport transfers

Our Insight:

Always use licensed taxis or apps.

Restaurant Booking

***TheFork**

Most widely used reservation app

***Quandoo**

Popular in major cities

***Michelin Guide App**

Find top restaurants

***WhatsApp**

Many restaurants confirm directly (this is a must have)

Our Insight:

Reserve restaurants several days in advance.

Tickets & Attractions

Official attraction websites

Always check first

CoopCulture

Historic site ticketing

Tiqets

Digital entry tickets

GetYourGuide / Viator

Tours and experiences

Our Insight:

Screenshot QR tickets before arrival.

Food Delivery

***Glovo**

Most common delivery service

***Deliveroo**

Strong in larger cities

***Just Eat Italia**

Broad restaurant coverage

***Uber Eats**

Limited availability

Our Insight:

Not all small towns offer delivery.

City Transport Apps

Rome

ATAC Roma / Moovit

Milan

ATM Milano / Citymapper

Naples

Unico Campania

Venice

AVM Venezia

Florence

Autolinee Toscane

Our Insight:

Validate paper tickets before boarding.

Language & Travel Tools

***Google Translate**

Download Italian offline

***DeepL**

More natural translations

***Airalo**

eSIM mobile data

***XE Currency**

Live exchange rates

***Revolut / Wise**

Lower FX fees

Our Insight:

Always pay in euros when using cards.

Helpful Extras

EasyPark

Street parking payments

Telepass

Highway toll roads

Fontanelle d'Italia

Find drinking fountains

Flush Toilet Finder

Locate public restrooms

112 Where Are U

EU emergency app

Our Insight:

Blue lines = paid parking

White = free

Yellow = residents
